MENTORING REPORT OF END SEMESTER

The mentoring session groom the students for the future endeavor. They are divided into groups of 10-15 students depending on the number of students. Each group is assigned a teacher/mentor who is responsible for collecting academic performance and class attendance of individual students. The teacher/mentor is given necessary information regarding his/her mentees and is expected to offer guidance and counseling as and when required. In isolated cases, parents are called for special meetings with the Director at the suggestion of the mentor.

THE OBJECTIVES OF THE MENTOR IS

- To develop student personal strength and reduce weakness
- To enhance leadership skill.
- To provide support and guidance on teaching, research and mentoring to students.

THE FOLLOWING POINTS DISCUSSED IN MEETING AS FOLLOWS:

- To discuss most important and hard subjects
- To discuss industrial visit planned between the period of 3rd December 2023 to 9th December 2023.
- To discuss pending fees with students.
- To discuss result and exam details
- To discuss Imminent Internal Examination during November 2023
- To discuss tentative date of final examination

APIMR, Landewadi, (Via-Manchar) Pune, Maharashtra, India. Tel.: 02133-235105

- To confirm specialization for second semester
- Summer Internship Project Schedule
- To discuss about SPPU programmes like New Matdar Yojana, Earn and Learn Scheme, Green Club formation
- To discuss about fee proposal for the next year.
- Active involvement of students in Institute Activities
- To discuss Annual gathering between the month of January 2024

MENTORING OUTCOMES:

- The most important result after mentoring is that students recognize their weak subject of the semester and focus on that so they got high internal marks.
- Some students place in Corporate sector during the session
- Lots of activity takes place due to students contribution also done Industrial Visit at JSW take place.
- The student aware about the importance of every specialization
- Lots of cultural activity takes place due to students contribution like Diwali celebration, Kojarigri Pournima , Sports Day , Garbha Competition during Navratri etc..

Academic Policy 2023-24

The institute has strong belief on academic curricular designed by the University as to cater the needs of developed industrialization in surrounded geographic area. This has been reflected in the academic policy supported by the strategic implementation of the curriculum with five elements consisting of, design, implementation, mentoring, Response and Improvement.

In *Design*, curriculum includes university prescribed syllabus and additionally institute has included additional courses. In consideration of the rural background of the students, improvement in English as a medium of communication is required and more efforts on students grooming has been necessitated. These additions have been manifested in a way so that difference between regular curriculum and university syllabus has been mitigated.

Implementation of the curriculum has been made smooth and effective with the help of academic calendar and update time table. The faculties have been allocated with the subjects considering specific and personal SWOT of the faculties. Apart from the class room teachings, APIMR has core focus in interactive learning of the students through, seminars, industry visits and field works. Management games are also a live learning experience for the future managers of the institute.

In *mentoring*, we believe not just teaching the students in orthodox style but we focus individual attention on each student by providing throughout hand-holding support. Our faculties are playing a role of mentors to prepare future managers out of students allocated to them for mentorship which we conduct on weekly basis.

Response is the fourth element in our framework. The importance of this element cannot be minimized as it provides inputs for our improvement. Thus we collect feedback as response to

APIMR, Landewadi, (Via-Manchar) Pune, Maharashtra, India. Tel.: 02133-235105

our five element model from various stakeholders.

Improvement is the commitment of every person working in APIMR. It has a support of feedback collected through the response phase. We implement systems approach in improvement.

Implementation:

University has designed Choice Based Credit System (CBCS) and Grading System Outcome Based Education pattern which Institute follows in its curriculum.

1. Institute follows a cafeteria approach by providing Generic Core/Elective subjects every semester. The students have the flexibility to choose any one specialization from specializations offered in the university syllabus. The students are well explained in the orientation program about the specialization offered.
2. The delivery of course sessions carried out as per time table. Faculty adopts the advanced teaching methodology in delivery of course sessions. Faculty focuses on quality delivery and encourages student's active participation in the entire curriculum, curricular and extracurricular activities. This is reflected in the course files as evidence of institute teaching pedagogy.
