##### **• Soft Skill Development Facilities:**

Comprehensive Career and Leadership Development Program is the hallmark of teaching learning process at APIMR. The program has been developed for students to bridge the gap in university curriculum and at the same time ensure delivery of inputs required for attaining POs. APIMR Institute of Management believes in the holistic development of the students and although the academic calendar forms the basis of the agenda, abundant stress is given to co-curricular activities. In order to mould productive and result oriented managers of the future, APIMR conducts the CLDP, which is taught concurrently with the main program. Unique and innovative co-curriculum activities are conducted at APIMR which focus on the extra edge that students need in their personality to succeed in a competitive environment.

APIMR owes its gratitude to the Indian Industry for consistently collaborating with us in our endeavour towards adding value to our students by helping us create customized programs for the students. Renowned industrialists visit us and tremendously enhance the learning of our students, by sharing their vast knowledge and experience. These objectives have enabled us to foster strategic alliances with industry which have translated into

## **20. Best Practices adopted**

APIMR institute is renowned academic excellence institute in the proximity for providing quality education that support students to prove their performance in corporate world. We have numerous activities that can be classified under the best practices. Though based on the criteria of students development and serving to the industry two key activities may be referred here as best practices. The details are mentioned below-

### **Best Practice-1**

CSR- generally the term CSR is referred for the corporate contribution to the social welfare. But in APIMR we put efforts in triggering the morale and ethics in the mind of students. Thus as result of this, students are encouraged to support needy segment of the society. Now to summarize, students of APIMR has made contribution and donated drinking water tank of the capacity of 2000 Ltr to the orphanage accommodating 47 students. This is the continuous practices adopted by APIMR for lightning the charity in the mind of management students. Thus this practice is referred as the best practice by society as well.

### **Best Practice-2**

Research basically is the contribution to the existing knowledge. Also students having research and analytical bent of mind is more potential to sustain in corporate with the skills of creativity and capacity. APIMR thus puts sincere efforts for inculcating these skills among students so that they will become problem solver equipped with scientific methods of enquiry. APIMR has encouraged students to select current issues in industry and write the solutions for these issues in terms of published papers. Now APIMR has a PhD Research Center affiliated to SPPU, Pune. Ultimately this research activity provides best opportunity for students to develop and thus may be referred as the best practice.
