REPORT

DAY – 1: INDUCTION PROGRAM BATCH 2024-26

Friday, 20 September 2024

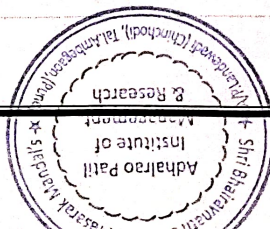

The Educational institutions play an important role in development of individual, family and society, laying foundation of a strong nation. The goal is to enrich all fields of knowledge, inculcate sense of responsibility and enhance the inner potential of an individual. When new students enter an institution, they come with diverse thoughts, backgrounds and preparations. They come into a new unfamiliar environment and many of them have little knowledge of a university / college. An important task, therefore, is to welcome new students to Higher Education and prepare them for their new role. Student Induction Programme engages with the new students as soon as they come into the institution.. At the start of the induction, the incumbents learn about the institutional policies, processes, practices, culture and values.

SBSPM's Adhalrao Patil Institute of Management and Research organized an "Induction Program for the batch 2024-26" for two days on Friday, 20th September and Saturday, 21st September 2024. The days were fully packed with the learning activities and fun games.

The day one started with the Saraswati Poojan at the hands of the guests and the Incharge Director of the institute Dr. Vishwajit Thigale. The event was anchored by MBA II Year Students Pallavi Zodage and Gaurav Shinde.
