5.5 Nature and Extent of involvement of Faculty and students in academic affairs/ improvements

- APIMR believes the participatory approach of governance for achieving its goals. Thus APIMR Faculties as well as Students actively participates in various curricular and non-curricular Academic activities.
- Faculty members are attending International, National & University level conferences, FDP's and Workshops. They are also involved in S. P Pune University Work. Such as – playing role as Member of Board of Studies, involved in academic meetings and process, semester wise online as well as written Paper Setting, CAP (Central Assessment Program) of S.P. Pune University as assessor, conduction Viva-Voce, External Senior Supervisor in various other institutions of S.P. Pune University and other universities.
- Not only faculty but also students also actively participate in plethora of academic activities. Some of the activities in are completely organized by the students.
- Complete freedom about teaching pedagogy, evaluation.
- Feedback from students about teaching and syllabus completion.

5.6 Mechanism/ Norms and Procedure for democratic/ good governance

The institution is thriving to achieve Vision and Mission of APIMR through forming various bodies and committees. The institute follows democratic and participatory approach of governance for achieving its goals. Overall quality is managed through Internal Quality Assurance Cell (IQAC) and Administrative and Academic Audit (AAA). These committees meet often, discuss the related issues and take appropriate decision with respect to the requirement. APIMR provide environment of high academic excellence and research. The governance of institute not only preaches values, but practices them. All these, make students responsible citizens who contribute to development of company, economy and society at large. Thus institute develops human resources with appropriate qualities who in turn contribute to national development.

APIMR prepares a perspective plan including academic and events calendar for complete Academic year. Institute carries out various activities through committees which are composed and co-ordinated by faculty members. Co-coordinators along with committee members discuss and take appropriate decision regarding work entrusted to them. This ensures dedicated participation of teachers in decision making bodies of the institute. Thus right from the planning for the academic and other activities is done in democratic and participative manner where the entire stakeholder i.e. Students, parents, staff, employer and management are involved.

5.7 Student Feedback on Institutional Governance/ Faculty performance

APIMR collects feedback from the students. The students are asked to rate each of the faculty to the best of their judgment. Students are also free to write an open ended feedback related to specific faculty or in general. During this the name of the particular not asked to maintain the secrecy and generate true feedback from the students.

The overall filled up feedback form are analyzed and overall rating of the faculty is calculated in percentage. The Director points out area of improvement and call individually faculty separately and gives specific points from specific feedback.

15.14 Innovation Cell

Entrepreneurship Development Cell (E-Cell) has been constituted with the broad purpose of building an entrepreneurship oriented culture within the institute to encourage students to enhance their enterprising skills to benefit the external stakeholders (Industry and Society at large).

15.15 Social Media Cell

Branding and Social Media Committee has been established where students are given platform to update and promote all the events, activities happening on the campus and achievements of the APIMR students in various competitions.

15.16 List of facilities available

• **Games and Sports Facilities:**

We provide dedicated sports facilities for various Indoor games like Chess, Table-Tennis, and Carom etc. and for Outdoor games like Basketball, Cricket etc. Sports committee organizes OutdoorManagement Trainings for the students.

• **Extra-Curricular Activities:**

APIMR has separate student committees like Cultural, CSR, E-Cell etc. The philosophy is to give wings to students' creativity, imagination and talent. The committee organizes various in campus events in order to provide a platform to students to show their talent and hone their skills.

• **Soft Skill Development Facilities:**

Comprehensive Career and Leadership Development Program is the hallmark of teaching learning process at APIMR. The program has been developed for students

to bridge the gap in university curriculum and at the same time ensure delivery of inputs required for attaining POs. APIMR Institute of Management believes in the holistic development of the students and although the academic calendar forms the basis of the agenda, abundant stress is given to co-curricular activities. In order to mould productive and result oriented managers of the future, APIMR conducts the CLDP, which is taught concurrently with the main program. Unique and innovative co-curriculum activities are conducted at APIMR which focus on the extra edge that students need in their personality to succeed in a competitive environment.

APIMR owes its gratitude to the Indian Industry for consistently collaborating with us in our endeavour towards adding value to our students by helping us create customized programs for the students. Renowned industrialists visit us and tremendously enhance the learning of our students, by sharing their vast knowledge and experience. These objectives have enabled us to foster strategic alliances with industry which have translated into knowledge enhancing initiatives at APIMR, in collaboration with the Industry.

Some such required skills and corresponding initiatives are mentioned as under:

20. Best Practices adopted

APIMR institute is renowned academic excellence institute in the proximity for providing quality education that support students to prove their performance in corporate world. We have numerous activities that can be classified under the best practices. Though based on the criteria of students development and serving to the industry two key activities may be referred here as best practices. The details are mentioned below-

Best Practice-1

CSR- generally the term CSR is referred for the corporate contribution to the social welfare. But in APIMR we put efforts in triggering the morale and ethics in the mind of students. Thus as result of this, students are encouraged to support needy segment of the society. Now to summarize, students of APIMR has made contribution and donated drinking water tank of the capacity of 2000 Ltr to the orphanage accommodating 47 students. This is the continuous practices adopted by APIMR for lightning the charity in the mind of management students. Thus this practice is referred as the best practice by society as well.

Best Practice-2

Research basically is the contribution to the existing knowledge. Also students having research and analytical bent of mind is more potential to sustain in corporate with the skills of creativity and capacity. APIMR thus puts sincere efforts for inculcating these skills among students so that they will become problem solver equipped with scientific methods of enquiry. APIMR has encouraged students to select current issues in industry and write the solutions for these issues in terms of published papers. Now APIMR has a PhD Research Center affiliated to SPPU, Pune. Ultimately this research activity provides best opportunity for students to develop and thus may be referred as the best practice.

Two best Practices successfully implemented by the Institution as per NAAC format provided in the Manual:
1. HOLISTIC DEVELOPMENT OF STUDENTS THROUGH ONLINE ACADEMIC INITIATIVES DURING COVID PANDEMIC
During the COVID, Pandemic a series of lockdowns were implemented by the respective Governments to

reduce the infection rate which had become a huge setback to the Educational Institutions.

Objective of Practice

- To provide a quality and interactive program other than regular academic classes for the students to develop the skills during the COVID pandemic.
- To train the faculty and students to keep APIMR functions in Digital format
- To build the opportunity for the students to stay connected during Pandemic.
- To make the students more confident and comfortable in using the digital tools
- To counsel the students and faculty members so as to enable them to overcome their stress, anxiety and mental health because of COVID pandemic
- Developing the students' mental health as well as professional development.
- Main objective of this donation drive is to provide students with the individual responsibility towards society by understanding humanity.

It also aims at improving the quality of the educational programs in digital space for the student community.

The context and Practice:

To maintain the same quality of education during pandemic APIMR not only arranged the online classes as per regulatory authority guidelines but also done lot other activities for the holistic development of students as well as the nearby people which includes Yoga Day, to keep up the same campus spirit among the students, staff and the society. APIMR also conducted online activities invited many experts for sharing their knowledge and expertise with the students and faculty members. APIMR also provide covid awareness and precautionary points for the public on the online platform. APIMR also care developing the students' mental health as well as professional development.

Not only this APIMR also supported donated the needful things such as rationing and mask, sanitizers, Covid-Kit etc. to the needy people

Evidence of Success

- The students are familiar with using the digital tool for exam preparation, submitting the assignment, collaborating and conducting an online program
- APIMR is well popularized in the social media and to the public audience because of this initiative
- The faculty and students got the opportunity to develop their skills in this initiative

Problems

- Some of our students do not possess a laptop or personal computer. So, they had to attend these programmes through smart phones.
- Some of our students belong to rural areas where the constant internet or power was a big challenge. So, regular online classes or programs were recorded for the future access of these students.

2. A Workshop on Research Methodology

The 3 days Research Methodology workshop held between 02 August 2021 and 04 August 2021 with additional day on 05 August 2021 was tailor-made to facilitate the academic requirements for getting into the admission to PhD through "PhD Entrance Test (PET)". The 3 days with one day extension workshop was conceptualized with the intention of knowledge-building on the fundamentals of research concepts, methodologies and processes in addition to providing hands-on training in synopsis/thesis writing with inputs on the essentials of academic writing.

The objectives:-

- To develop knowledge on the fundamentals of research
- To build knowledge on research design, application & data analysis
- To develop skills for synopsis/thesis development & academic writing

The context:

It was the challenging to explain the context in short period as it's a wide context which is not possible to explain in a short span of time.

The Practice:-

The second most though it had been taken it was online more its quiet difficult to deliver it to get a good outcome of the session.

Evidence of Success:-

Prof. Mahesh A. Bomble was the coordinator of the workshop, who handled the responsibility of communicating the updates and coordinating the entire event.

The workshop was held between 02 August 2021 and 04 August 2021 with additional day on 05 August 2021.

Dr. Jitendra Hude, Director APIMR highlighted the importance of research for the development of the common community and holistic social development.

The vote of thanks was given by coordinator of the event Prof. Mahesh A. Bomble with the conclusion of the event.

The student participants gave a positive feedback on their learning experience during the 3-day workshop in the feedback session.

Problem Encountered and Resources Required:

As it was a pandemic situation it was not possible to conduct such practice on offline. The workshop was conducted using Zoom-cloud meeting online platform and organized by utilizing resources available in-house of SBSPM's APIMR.
