

Report on Masks Distribution

The use of face masks is now emerging as a one of the main pillars in keeping away the COVID-19.

The Students' Welfare Department of SBSPM's Adhalrao Patil Institute of Management and Research, Landewadi, Pune, under the guidance and inspiration of Savitribai Phule Pune University has initiated the movement of distribution of masks in the rural and semi-urban areas. The students have voluntarily taken up the task of stitching and making masks while at home and distribution of the masks. The masks have distributed by the students and teachers to the labours working in the industry of construction of buildings and homes within vicinity of Manchar. We have distributed the masks to the people who do not have them and do not have enough money to purchase them for their safety.

The distribution of masks has done without violating the rules of social distancing. The teachers and students also made the labours and other people in nearby areas aware about the COVID-19 and make them informed about the precautionary measures that shall be taken while working. The awareness campaign was conducted by observing the rules of social distancing, masks wearing and sanitization. The students also participated in the covid-19 awareness campaign over social media such as whatsapp, instagram, Facebook etc.

At the time of distribution of masks, Administrative Officer Prof. Shamal Choudhary, Student Welfare Development Officer Prof. Mayur Chikhale, the students' representative Pranali Bankhele, Santosh Kumkar & Dipak Shinde of SBSPM were present. The administrative officer of SBSPM Prof. Shamal Choudhary affirms that the stitching, making and distribution of masks by the students to the needy people will continue in future to fight against COVID-19.
